

H330 PRO SERIES MULTIPLE-HIT HARDWOOD FLOORING NAILER

The Primatch H-330 PRO SERIES is a multiple-hit manual hardwood flooring nailer.

Its efficient ratchet system ensures nails, not fully driven by the first blow, to remain positively positioned for additional strikes. The system gives do-it-yourselfers and professional installers ample power to simultaneously fit tight boards and set nails. **L** or **T** nail configuration is available. Its ergonomic lightweight design improves productivity and reduces fatigue. Aluminum construction allows for durability. Primatch's patented and exclusive "**L**" nail feeder ensures jam-free operation.

• Features

- **L** or **T** nail configuration
- adjustment-free, ratchet mechanism
- mounted for standard 3/4" (19 mm) solid flooring
- lightweight for improved maneuverability
- large composite base to increase stability and minimize damage to pre-finished floors
- quick loading magazine with spring loaded nail pusher
- ergonomic, comfort grip handle
- quick and easy access for maintenance
- jam-free operation (L nail)
- 3.5 lbs (1,6 kg) non-marring mallet included

Options

- **L** or **T** nail conversion kit
- adapter plate for various profiles of solid flooring

Applications

3/4" (19 mm) standard solid hardwood flooring

1/2" to 33/32" (13 to 26 mm) requires optional adapter plate.

Specifications

Weight: 7.6 lbs (5 kg)

Height: 17 3/4" (451 mm)

Length: 14 3/8" (365 mm)

Capacity: 110 nails

Fasteners

L cleats, 16 GA

1 1/2", 1 3/4", 2" (38, 45, 50 mm)

2" (50 mm) Stainless steel

T cleats, 16 GA

1 1/2", 2" (38, 50 mm)

2" (50 mm) Stainless steel

Cleat nails minimize wood splitting and still allow for natural expansion and contraction of flooring material.
